The workshop takes place at the Swedish University of Agricultural Sciences (SLU) in Uppsala, about 60 km north of Stockholm. The closest airport is Arlanda, located between Stockholm and Uppsala. From Arlanda it is easy to reach Uppsala by taxi, bus or train. Detailed information on how to get from Uppsala to the university (ca 5 km south of the centre of Uppsala) will be sent out later. Please send us an email if you have any questions about your arrival or departure.
