Graduated in History (Graduado)	University of Santiago de Compostela	2013
Master in Contemporary History	University of Santiago de Compostela	2014
Master in Planning and Rural Development	University of Santiago de Compostela	2015

A.3. General indicators of quality of scientific production (see instructions)

Part B. CV SUMMARY (max. 3500 characters, including spaces)

Telmo Otero Rodriguez (Sober,1991). Graduated in History (2013), Máster in Contemporary History (2014), Máster in Planning and Rural Development (2015). Currently is a Ph.D. candidate with his thesis about dairy specialization, milk industry, and agricultural transformations, granted with a fellowship as part of the research project *Los vectores del cambio estructural de las agriculturas atlánticas ibéricas: moto-mecanización y especialización lechera. 1920-2000* (HAR2016-77441-P).

He has participated in the last editions of the most outstanding conferences and seminars in agrarian history as -at a national level- the *XVI Congreso de Historia Agraria* of the Sociedad Española de Historia Agraria (SEHA) and -at an international level- the *Rural History - International Conference 2017* (Leuven) and 2019 (París) of the *European Rural History Organisation (EURHO)*; and on the same way, he has participated in specialised seminars both a national level *De la innovación campesina a un modelo de especialización láctea bajo la Revolución Verde. Europa en el S.XX* (Santiago de Compostela 2018) both international *Animal husbandry in 20 th Century Europe: Políticas, trade, animal and public health, breeding and production systems before and during the Green Revolution* (Uppsala 2019).

His academic training includes a short stay of three months in a foreign center of I+D, the Swedish University of Agricultural Science where he worked at the Division of Rural and

Agrarian History - Department of Urban and Rural Development, and additional training such as the one-week international course *ICOHTEC Summer School & 45th ICOHTEC Symposium*, (St. Etienne 2018).

The firsts outcomes of his research were published in the chapter *La especialización láctea en Galicia: indicios de una difusa y tardía consolidación 1920-1975*, included in the monographical series of the SEHA journal *Historia Agraria*.

Finally his work *Origen y consolidación de la especialización láctea en Galicia: Un análisis de cara al presente y el futuro del rural gallego (1920-2017)* was awarded with the research prize Jesús García Calvo (2018) about Cooperativism and Rural Development.

Part C. RELEVANT MERITS (sorted by typology)

C.1. Publications (see instructions)

OTERO RODRÍGUEZ, T. (2019) La especialización láctea en Galicia: indicios de una difusa y tardía consolidación 1920-1975. En FERNÁNDEZ PRIETO, L. & LANERO TÁBOAS, D. (Eds.) *Leche y lecheras en el S.XX De la fusión innovadora orgánica hasta la Revolución Verde*. Zaragoza: Prensas de la Universidad de Zaragoza, pp. 120-152

C.2. Research projects

Los vectores del cambio estructural de las agriculturas atlánticas ibéricas: moto-mecanización y especialización lechera. 1920-2000 (HAR2016-77441-P)

C.3. Contracts, technological or transfer merits

Ministerio de Economía:

Fellowship grant to support predoctoral research training as part of the research project *Los vectores del cambio estructural de las agriculturas atlánticas ibéricas: moto-mecanización y especialización lechera. 1920-2000* (HAR2016-77441-P)

C.4. Additional Academic Training:

ICOHTEC Summer School & 45th ICOHTEC Symposium, St. Etienne (Francia)

C.5 Papers presented in national and international conferences and seminars:

- OTERO RODRÍGUEZ, T. y ESPERANTE PARAMOS, B. "Innovation and technological change through dairy specialisation and moto-mechanisation 1880-2000. A case of study in small scale agriculture and family farming in Galicia", presented in PAN MONTOJO, J. & FERNÁNDEZ PRIETO, L. (Coords.) "From Rural Progress to Agricultural Modernisation: 1918-1960" panel of the international conference: *Rural History 2017 - International Conference of EURHO (European Rural History Organisation)*, Leuven, Belgium. 2017

- OTERO RODRÍGUEZ, T. "Especialización láctea en Galicia: Indicios dunha difusa e tardía consolidación (1920 -1975)" presented in FERNÁNDEZ PRIETO, L. y LANERO TÁBOAS, D. (Coords.) *De la innovación campesina a un modelo de especialización láctea bajo la Revolución Verde. Europa en el S.XX*. Santiago de Compostela. 2017

- OTERO RODRÍGUEZ, T. "Modernización en la agricultura gallega a través de la innovación pecuaria: la especialización láctea en Galicia" presented in FERNÁNDEZ PRIETO, L. PAN MONTOJO, J. y LANERO TÁBOAS, D. (Coords.) "De los agrarismos tecnológicos a los sistemas tecnocráticos de la Revolución Verde. 1900-1990" panel of

international conference: *XVI Congreso de Historia Agraria - Transiciones en la agricultura y la sociedad rural. Los desafíos globales de la historia rural*. Santiago de Compostela. 2018

- OTERO RODRÍGUEZ, T. “De la multifuncionalidad ganadera a la especialización láctea: la difusa transición pecuaria gallega” presented in CONDE GÓMEZ, D. (Coord.) “De la cuestión agraria a la cuestión pecuaria. Transiciones y cambios productivos de la mejora pecuaria” panel of the international conference: *XVI Congreso de Historia Agraria - Transiciones en la agricultura y la sociedad rural. Los desafíos globales de la historia rural*. Santiago de Compostela. 2018

- OTERO RODRÍGUEZ, T. “Cattle improvement and dairy specialization. The long transition from cattle multifunction to dairy production in Galicia (1920-1975)” presented in CARIN MARTIIN (Coord.) *Animal husbandry in 20 th Century Europe: Policies, trade, animal and public health, breeding and production systems before and during the Green Revolution*. Uppsala 2019

- OTERO RODRÍGUEZ, T. (Discussant) in MARGLIANO, M.; GIANPIERO, F.; DERRY; M. (Coords.) “Continuous patterns and innovations in animal breeding practices and technologies, 19th to early 21st century” panel of the international conference: *Rural History 2019 - International Conference of EURHO (European Rural History Organisation)*. Paris. 2019

C.6 Short stay in a foreign centre of I+D:

Swedish University of Agricultural Science - Division of Rural and Agrarian History - Department of Urban and Rural Development, Uppsala (Suecia), (Three Months)

C.7 Research Awards:

Jesús García Calvo 2018 in Cooperativism and Rural Development. Feiraco 50 Annyversary - organized by the Instituto de Estudios e Desenrolo de Galicia (IDEGA) and Cooperativas Lácteas Unidas (CLUN) for the paper “Origen y consolidación de la especialización láctea en Galicia: Un análisis de cara al presente y el futuro del rural gallego (1920-2017)”
